Permission to Publish Pictures

Dear Parents and Friends,

Saint Patrick Catholic School has several opportunities to publish student pictures throughout the school year in various medias.

1. **WEBSITE:** Our website posts activities which may include action pictures. Since the students' activities are of such importance, we need your assistance and permission to publish your child's picture on the website of www.saintpatrickschoolbryan.org. **Pictures used will not point out individual students, and names will NOT be used.** We also invite you to visit www.saintpatrickschoolbryan.org to view news and updates about our school and our programs, as well as homework assignments. In addition, the calendar of events will provide up to date activities and information about our school. The cafeteria menu is also available.
2. **BROCHURES:** Saint Patrick Catholic School designs brochures, and the Diocese of Toledo asks on several occasions to share pictures of activities with them. These pictures may be used for advertisements, billboards or display. **Pictures used will not point out individual students, and names will NOT be used.**
3. **THE BRYAN TIMES:** Special activities and events are randomly highlighted in The Bryan Times, our local newspaper. **Pictures used will point out individual students, and names will be used.**
4. **BULLETIN BOARDS:** There are several bulletin boards placed in the school and parish halls. Pictures will be used to advertise, congratulate and invite for various events and activities. **Pictures may point out individual students, and names may be used.**

Please complete the form below and return to your child's teacher immediately. Please use one form per student. Thank you.

In Him,

Lisa M. Cinadr, Principal
